

Prenatal Lead Risk Questionnaire

Are you eligible for or enrolled in Medicaid? Yes No Don't Know Medicaid Number _____ (if applicable)

Are you eligible for or enrolled in the Women's, Infants and Children (WIC) Nutrition Program? Yes No Don't Know

Name (Last, First) _____ Date of Birth _____

Address _____ Phone Number _____

City _____ County of Residence _____

Testing is only recommended for those considered at risk. If the answer is "yes" to any of these questions, the person is at risk for lead exposure and should have a blood lead test. If the answer is "don't know" the person has a possible lead risk and should be advised of this and given the opportunity to have a lead test. If a lead test is declined and the person has given answers of "yes" or "don't know", the person should be given education regarding effects of lead exposure.

Respond to the following questions by circling the appropriate answer.

RESPONSE

Prenatal Lead Risk Questionnaire

If patients are unsure of their eligibility for Medicaid Services, please refer them to use the HFS website (<https://hfs.illinois.gov/medicalprograms/allkids/momsandbabies.html>) to find information for Moms and Babies. Moms & Babies covers healthcare for women while they are pregnant and for 60 days after the baby is born. Moms & Babies covers both outpatient healthcare and inpatient hospital care, including delivery and baby can get checkups, well-baby care, shots and many other services.

If patients are unsure of their eligibility for WIC Services, please refer them to use the DHS Office Locator (<http://www.dhs.state.il.us/page.aspx?module=12>) to find their nearest location. They can also use the pre-screening tool at <https://wic.fns.usda.gov/wps/pages/start.jsf> to learn more about their potential eligibility. Individuals participating in the WIC program can receive funds to purchase healthy foods as well as information on nutrition, breastfeeding, and access to healthcare. They can receive WIC in addition to SNAP and can receive benefits without providing proof of citizenship or immigration status.
